The situation concerning Western Sahara

Report of the Secretary-General on the situation concerning Western Sahara (S/2000/683)

The President: The Security Council will now begin its consideration of the item on its agenda. The Council is meeting in accordance with the understanding reached in its prior consultations.

Members of the Council have before them the report of the Secretary-General on the situation concerning Western Sahara, document S/2000/683.

Members of the Council also have before them document S/2000/728, which contains the text of a draft resolution prepared in the course of the Council's prior consultations.

I should like to draw the attention of the members of the Council to document S/2000/699, letter dated 17 July 2000 from Morocco addressed to the Secretary-General.

It is my understanding that the Security Council is ready to proceed to the vote on the draft resolution before it. If I hear no objection, I shall now put the draft resolution to the vote.

There being no objection, it is so decided.

A vote was taken by show of hands.

In favour:
